Thank you for volunteering to complete a "GOOD KID" questionnaire. This feature was designed to be a fun way for the community to get to know its neighbors and student leaders a little better. These profiles run weekly in *The Dallas Morning News*' Metro section.

Please answer all questions and return as soon as possible with a digital photo of yourself. Pictures can be anything from a vacation, dance or party or a scanned school/senior picture that provides a clear view of your face. It should also be a large enough file size to print well, so please don't send tiny cell phone pictures.
