JANUARY NEWS!

INTO THE WOODS MUSICAL MEETING

There will be a mandatory meeting for those participating in the spring musical this year on **Wednesday January 23, 2019 at 7 pm**. It will take place in the auditorium or choir room with confirmation prior to the date.

The directors will be sharing information on plans, schedules and expectations of the student participants. There will also be information from the Booster Club and musical committees on fees and volunteer opportunities.

The Woodrow musical is a wonderful community experience for all. The meeting is parent driven, but if the parent is unable to attend please send the student to receive the necessary information. We are looking forward to the 62nd WW musical and seeing you on the 23rd!

Thank you,
