

Parent Expectations Contract

All of our accomplishments are the direct result of your positive efforts as a parent and our student's hard work. It is in this spirit that the following Parent Expectation Contract be respected and abided by. This document has been composed to remind parents of a few important expectations designed to help your dancer maximize her/his experience in the dance company.

1. Parents are here to support and respect all dancers, directors, administration, faculty, and the program.

2. Know that the directors will always decide what is best for the team. Parents, please take into consideration that the directors have the delicate and challenging task of guiding the company to success, while making sure all students have an opportunity to develop.

3. Shall you have any questions or concerns, please communicate calmly with the directors via email. Parent conferences may be planned during the directors planning period and availability. These appointments should never intervene with a company rehearsal or event.

4. Crude and threatening language via social media, email, or in person toward another parent, dancer, director or anyone involved with the program will NOT be tolerated. Such parent behavior will be the cause for your dancer's dismissal/removal from the dance company.

5. Parents should volunteer as needed.

6. Be mindful of your behavior. You as a parent are your child's number one example. Your dancer is watching you at all times. Remember that our students learn by watching their parents' behaviors whether it be good or bad. It is important to cope well with life's stresses, conflicts with others, and disappointments. WDCo. expects humbleness, teamwork, cohesiveness, and respect for one another.

7. Parents who violate these expectations will be given a written warning. Further transgressions will be handled on an individual basis. The director will make note in your child's file of the interaction between parent and director.

8. If you have any questions regarding this policy, you may contact our assistant principal. This person's contact info will be given to you once we have been assigned one.
