

Social Media Contract

2019-2020

Certain standards are necessary for the integrity and reputation of any organization. Each member should be a leader within the school and should set a good example at all times. Members are expected to have and maintain a character above reproach. Personal appearance, habits and actions of which there can be no criticism, are required as each member represents our school district before the public at all times.

With this in mind I, _____, will not post any negative comments about any person on any form of social media (i.e, facebook, twitter, snapchat, Instagram, etc.) Doing so will result in automatic removal/dismissal from the company.
